

Privacy Statement

General information

The following notes provide a simple overview of what happens to your personal information when you visit our website. Personal data is all data that personally identifies you. Detailed information on data protection can be found in our Privacy Policy below.

Data collection on our website

Who is responsible for the data collection on this website?

The data processing on this website is carried out by the website operator. Their contact data can be found in the imprint of this website.

How do we collect your data?

Your data will be collected when you provide it to us. This may be e.g. to collect data that you enter in a contact form. Other data is collected automatically when visiting the website through our IT systems. These are above all technical data (for example Internet browser, operating system or time of the page request). The collection of this data takes place automatically as soon as you visit our website.

What do we use your data for?

Part of the data is collected to ensure a flawless operation of the website. Other data can be used to analyze your user behavior.

What rights do you have regarding your data?

You have the right at any time and free of charge to information about the origin, recipient and purpose of your stored personal data. You also have a right to correct, to request the blocking or deletion of this data. For this as well as further questions to you can contact the subject of data protection at any time at the address given in the imprint. Furthermore, you have a right of appeal to the competent supervisory authority

Analysis tools and third-party tools

When you visit our website, your surfing behavior can be statistically evaluated. This happens especially with cookies and with so-called analysis programs. The analysis of your surfing behavior is usually anonymous; the surfing behavior cannot be traced back to you.

You can object to this analysis or prevent it using Prevent tools. Details can be found in our privacy policy under the heading "Third-party modules and analysis tools". You can object to this analysis. Details are given in this privacy policy.

General and mandatory information

Data Protection

The operators of these pages take the protection of your personal data very seriously. We treat Your personal data confidential and in accordance with the legal data protection regulations as well as this privacy statement.

If you use this website, various personal data will be collected. Personal data is data that allows you to be personally identified. The current Privacy Policy explains what information we collect and what we use it for. It also explains how and for what purpose this happens.

Please note that data transmission on the Internet (for example, in the case of communication via E-mail) may have security holes. Complete protection of data from access through third parties is not possible.

Note of the responsible body

The responsible data processing body on this website is the website operator. Their contact details can be found in the imprint of this website. The responsible body is the natural or legal person, alone or together with others who is responsible for the purposes and means of processing personal data (e.g. E-mail addresses or the like).

Revocation of your consent to data processing

Many data processing operations are only possible with your express consent. You can revoke an already given consent at any time. An informal message is enough by e-mail to us. The lawfulness of the data processing up to the revocation remains unaffected by the revocation.

Right of appeal to the competent supervisory authority

In the case of violations of data protection law, the person concerned has a right of appeal to the competent supervisory authority. Competent supervisory authority on data protection issues is the data protection officer of the region or country in which our company is based (see imprint).

Right to data portability

You have the right to use data that we provide based on your consent or in fulfillment of a contract, automated process, in itself or to a third party in a common, machine-readable format. Unless you have the direct transfer of data to request another person in charge, this will only be done as far as technically feasible.

Information, blocking, deletion

You have the right, free of charge and at any time to rectification, blocking or deletion of Information about your stored personal data, its origin, recipients and the purpose of the data processing within the scope of the applicable legal provisions. For this purpose and for further questions about personal data you can contact us at the address given in the imprint.

Data Protection Officer

Statutory data protection officer

We have appointed a data protection officer who can be contacted through the website operator whose contact details are in the imprint of this website.

Data collection on our website

Cookies

Our website partly uses cookies, which are small text files stored on your computer by your browser. Cookies do no harm and contain no viruses. They serve to make our offer more user-friendly, make it more effective and safer.

Most of the cookies we use are so-called "session cookies". They will be automatically deleted after the end of your visit. Other cookies remain stored on your device until you delete them. These cookies allow us to recognize you and your browser the next time you visit.

You can set your browser so that you are informed about the setting of cookies and allow cookies only in individual cases, the acceptance of cookies for specific cases or in general exclude and enable the automatic deletion of cookies when closing your browser. Disabling cookies may limit the functionality of this website.

Cookies used to carry out the electronic communication process or to provide it with certain desired functions (e.g. shopping cart function) are required, and are based on Art. 6 para. 1 lit. f DSGVO. The website operator has a legitimate interest in the storage of cookies for technically error-free and optimized delivery of its services. Other cookies (for example, cookies to analyze your surfing behavior) are treated separately in this privacy policy.

Server log files

The provider of the pages automatically collects and stores information in so-called server log files that your browser automatically sends to us. These are:

- Browser type and browser version
- Used operating system
- Referrer URL
- Host name of the accessing computer
- Time of the server request
- IP address

A merge of this data with other data sources will not be done. The basis for data processing is Art. 6 para. 1 lit. b DSGVO, which is the processing of data to fulfill a contract or precontractual measures.

Contact Form

If you send us inquiries via the contact form, your details will be taken from the Inquiry form including the contact details provided by you for processing the request and in the case of follow-up questions stored with us. We will not share this data without your consent.

The processing of the data entered into the contact form is thus exclusively on the basis of your consent (Article 6 (1) (a) GDPR). You can withdraw this consent at any time. An informal message by e-mail to us is sufficient. The legality of data processing operations remain unaffected by the revocation until the revocation occurs.

The data entered by you in the contact form remain with us until you request that we delete it, revoke your consent to its storage or the purpose for data storage is completed (for example, after completion of your request). Mandatory legal provisions - especially retention periods - remain unaffected.
